

Public Health – Judge Feedback

Cal-HOSA SLC 2026

■ What Judges Noticed

- Met expectations with strong overall execution
- Demonstrated understanding of public health concepts
- Clear organization and purpose
- Effective communication of key ideas

■ Tips for Success

- Continue strengthening depth of public health knowledge
- Clearly explain impact and relevance
- Use strong examples and supporting data
- Practice delivery and clarity

✓ Before You Compete – Checklist

- I understand the public health issue deeply
- I can explain the impact clearly
- I included data and evidence
- My solution is clear and realistic
- I practiced my presentation
- I can answer questions confidently

■ Areas to Improve

- Expand depth of analysis and explanation
- Strengthen connection between problem and solution
- Improve use of data and evidence
- Enhance presentation clarity and engagement

■ What Made Top Competitors Stand Out

- Excellent execution across all areas
- Strong understanding of public health issues
- Clear, confident communication
- Demonstrated real-world relevance and impact

Strong understanding + real-world impact = powerful public health presentations.
