

# Research Poster – Judge Feedback

Cal-HOSA SLC 2026

## ■ What Judges Noticed

- Knowledge of research
- Strong understanding of research topics
- Clear organization and logical flow
- Effective use of visuals and supporting data

## ■ Tips for Success

- Continue strengthening explanation of research findings
- Practice explaining your research clearly and confidently
- Highlight key results and why they matter
- Keep visuals clean, readable, and purposeful

## ✓ Before You Compete – Checklist

- I fully understand my research
- I can clearly explain my results
- My visuals are clear and labeled
- My poster is organized and easy to read
- I practiced explaining my research out loud
- I can answer questions confidently

## ■ Areas to Improve

- Expand depth and clarity in explanations
- Improve connection between data and conclusions
- Reduce overly text-heavy sections
- Strengthen verbal presentation and engagement

## ■ What Made Top Competitors Stand Out

- Strong knowledge of their research topic
- Ability to clearly explain findings and significance
- Clean, professional poster design
- Confident and engaging presentation style

*Strong research + clear communication = impact.*
