Cal-HOSA Corners

What is Cal-HOSA Corners:
Cal-HOSA Corners is a state officer-led initiative that hosts recurring virtual Sessions designed to create a direct connection between Cal-HOSA leadership and local chapters across the state. These Sessions will provide chapter members and local officers with direct assistance from the Cal-HOSA State Officer team, including information, resources, Q&A opportunities, and support. The initiative will also provide members with opportunities to develop leadership skills, connect with members from other chapters, and build stronger relationships with Cal-HOSA leadership throughout the school year and leading up to the State Leadership Conference.

How to participate:
To participate in Cal-HOSA Corners, members should complete the attached inquiry form. This form will allow us to collect basic information about who you are for communication and planning purposes. Emails with information about the Sessions, including dates and times will be sent out. During Sessions, the Cal-HOSA State Officer team will give presentations on developing specific skills that can be applied to leadership. The team will also provide updates and information regarding current Cal-HOSA initiatives, opportunities, and news. During Sessions, postsecondary members will be separated into a breakout room. The postsecondary division will participate in a roundtable discussion with the Post-Secondary/Collegiate Vice President. Discussions will focus on inner-chapter challenges, collaboration, and supporting one another. Both divisions will have access to the same general Cal-HOSA information and updates presented during the Session. At the conclusion of the Session, you will receive a form to provide your thoughts, comments, and suggestions.

Rules/Expectations:
Participants are expected to maintain a respectful and professional environment while collaborating with other members attending the Session. At the conclusion of each Session, participants should complete the feedback form and provide their thoughts, comments, and suggestions to help improve future Cal-HOSA Corners Sessions. Our goal is to create a welcoming space where local officers can learn, connect, and receive support from the Cal-HOSA State Officer Team.

What is Cal-HOSA Corners?

Cal-HOSA Corners is a state officer-led initiative designed to strengthen communication and collaboration between Cal-HOSA leadership and local chapters throughout California. Through recurring virtual sessions, members and chapter officers will have opportunities to connect directly with the Cal-HOSA State Officer Team, receive important updates, access resources, and ask questions.

Each session will feature information relevant to Cal-HOSA members, including leadership development, current state initiatives, upcoming opportunities, and important announcements.

By fostering stronger relationships between state officers and local chapters, Cal-HOSA Corners aims to encourage member engagement, strengthen chapter communities, and support members throughout the school year leading up to the State Leadership Conference.

How to Participate?

Members interested in participating in Cal-HOSA Corners should complete the Cal-HOSA Corners Inquiry Form. This form will collect basic information to help the State Officer Team communicate with participants, share session details, and plan discussions that address chapter needs.

Participants will then receive emails containing session dates, times, meeting links, and other relevant information. During each session, the Cal-HOSA State Officer Team will share updates on current initiatives, upcoming opportunities, important announcements, and leadership development topics.

To encourage participation across both divisions, postsecondary/ collegiate members will join a designated breakout room led by the Post-Secondary/Collegiate Vice President. This breakout will provide a roundtable-style discussion where members can discuss chapter challenges, exchange ideas, collaborate with other collegiate chapters, and receive peer support. Secondary and postsecondary/collegiate participants will continue to receive the same general Cal-HOSA updates presented during the main session.

At the end of each session, participants will complete a feedback form. Their responses will help the State Officer Team evaluate the sessions and plan future topics based on member needs and interests

Expectations

All participants are expected to maintain a respectful and professional environment, contribute constructively to discussions, and embody the core values of California HOSA: Learn - Lead - Serve - Innovate. At the conclusion of each Session, participants should complete the feedback form and provide their thoughts and suggestions to help improve future Cal-HOSA Corners Sessions. The goal of every Cal-HOSA Corners session is to ensure members feel informed and supported by their state leadership team.

Session Structure

Session Structure

Each Cal-HOSA Corners session will follow a general agenda to maintain consistency, encourage participation, and ensure that members receive relevant information and support.

1. **Welcome and Introductions**
   - Welcome participants and introduce the State Officer Team members hosting the session.
   - Introduce an icebreaker question to encourage participation and help members connect.
2. **Cal-HOSA Updates and Announcements**
   - Share updates regarding current Cal-HOSA initiatives and upcoming events.
   - Highlight important deadlines, leadership opportunities, and relevant announcements.
3. **Leadership Development**
   - Present a topic related to leadership development, chapter management, communication, or member engagement.
   - Share practical strategies and resources that participants can apply to their local chapters.
   - Allow time for questions and discussion related to the presentation.
4. **Postsecondary/Collegiate Breakout Session**
   - Facilitate a roundtable discussion
   - Encourage members to exchange experiences, share successful strategies, and offer constructive feedback.
   - Identify questions or concerns that require follow-up.
5. **Questions and Answers**
   - Provide participants with an opportunity to ask questions about Cal-HOSA, state initiatives, and chapter-related concerns.
   - Record questions that require additional information or follow-up from the State Officer Team.
6. **Closing**
   - Review key takeaways and remind participants of upcoming dates and deadlines.
   - Distribute the session feedback form and encourage participants to submit suggestions for future sessions.

Post-Session Follow-Up

Following each session, the State Officer Team will review attendance, feedback, questions, and suggestions. Officers will discuss what worked well, identify areas for improvement, and determine any necessary follow-up actions to strengthen future Cal-HOSA Corners sessions.
